Dear Mr. Anderson:

SUBJECT: YOUR FREEDOM OF INFORMATION ACT (FOIA) REQUEST

This is in response to your Freedom of Information Act (FOIA) request in which you seek a releasable copy of Navy Official Military Personnel File (OMPF) documentation pertaining to CDR Ryan Zinke (Ret). Your request with email clarification was received in this office (PERS-00J) on January 3, 2016, and has been assigned correspondence file number CNPC20170136 by this command.

Although your request seeks only "releasable" information, in order to reflect transparency, we are processing your request so that information which cannot be disclosed is identified in our response.

A releasable copy of the applicable OMPF is enclosed. No disciplinary documentation was located in the applicable record. The remaining portions of the record containing documentation reflective of medical exams, retirement details, Records of Emergency Data, benefit elections, designated security clearances, and Fitness Report performance analysis (page two of Fitness Reports) are exempt from disclosure in entirety as they are not reasonably segregable. The redacted portions of the released documentation, and documentation withheld in entirety, are exempt from disclosure under FOIA exemption 6 [5 U.S.C. § 552(b)(6)]. Release of such information would be a clearly unwarranted invasion of the personal privacy of CDR Zinke and other individuals. Portions of the documentation provided are withheld under FOIA exemption 3 [5 U.S.C. § 552(b)(3)] in conjunction with 10 U.S.C. § 130c as it pertains to sensitive information of foreign governments. Portions of the documentation provided are withheld under FOIA exemption 3 [5 U.S.C. § 553(b)(3)] in conjunction with 50 U.S.C. § 421 as it pertains to the protection of identities of U.S. government undercover intelligence officers, agents, informants, and sources.

C. PARTIAL STATEMENT OF EXISTING UNITED STATES LAWS

9. FOR ALL ENLISTED OR RECRUITERS: Many laws, regulations, and military customs will govern my contract and require me to do things a civilian does not have to do. The following statements are not promises or guarantees of any kind. They explain some of the present laws affecting the Armed Forces which I cannot change but which Congress can change at any time.

a. My enlistment is more than an employment agreement. As a member of the Armed Forces of the United States, I will be:

(1) Required to obey all lawful orders and perform all assigned duties.

(2) Subject to separation during or at the end of my enlistment. If my behavior fails to meet acceptable military standards, I may be discharged and given a certificate for less than honorable service, which may hurt my future job opportunities and my claim for veterans' benefits.

(3) Subject to the military justice system, which means, among other things, that I may be tried by military court-martial.

(4) Required upon order to serve in combat or other hazardous situations.

(5) Entitled to receive pay, allowances, and other benefits as provided by law and regulation.

b. Laws and regulations that govern military personnel may change without notice to me. Such changes may affect my status, pay, allowances, benefits, and responsibilities as a member of the Armed Forces. READURES of the provisions of this enlistment/recruitment document.

c. In the event of war, my enlistment in the Armed Forces continues until six (6) months after the war ends, unless my enlistment is ended sooner by the President of the United States.

10. MILITARY SERVICE OBLIGATION FOR ALL MEMBERS OF THE ACTIVE AND RESERVE COMPONENTS, INCLUDING THE NATIONAL GUARD.

a. **FOR ALL ENLISTED:** I must serve a total of eight (8) years. Any part of that service not served on active duty may be served in a Reserve Component unless I am honorably discharged.

b. If I am a member of a Reserve Component of an Armed Force at the beginning of a period of war or national emergency declared by Congress, or if I become a member during that period, my military obligation may be extended without my consent until six (6) months after the end of that period of war.

c. As a member of a Reserve Component, in time of national emergency declared by Congress, I may be required to serve on active duty (other than for training) for training for the entire period of the war or emergency and for six (6) months thereafter.

d. As a member of the Ready Reserve I may be required to perform active duty or follow duty for training without my consent (over the periods in Item 8 of this document) as follows:

(1) In time of national emergency declared by the President of the United States, I may be ordered to active duty (other than for training) for not more than 24 consecutive months.

(2) I may be ordered to active duty for 24 months, and my commitment may be extended so I can complete 24 months of active duty, if:

(a) I am not assigned to, or participating satisfactorily, in one of the Ready Reserves; and

(b) I have not met my Reserve obligation; and

(c) I have not served on active duty for a total of 24 months.

(d) I may be ordered to perform additional active duty training for not more than 45 days if I have not fulfilled my military service obligation and fail to my year to perform the required training duty satisfactorily. If the failure occurs during the last year of my required membership in the Ready Reserve, my enlistment may be extended until I perform that additional duty, but not for more than six months.

(e) When determined by the President that it is necessary to support any operational mission, I may be ordered to active duty for not more than 90 days if I am a member of the Selected Reserves.

11. FOR ENLISTED/RECRUITERS IN THE NAVY OR MARINE CORPS: I understand that if I am serving on a naval vessel in foreign waters, and my enlistment expires, I will be returned to the United States for discharge as soon as possible consistent with my duties. However, if essential to the public interest, I understand that I may be retained on active duty until the vessel returns to the United States. If I am retained under these circumstances, I understand I will be discharged not later than 30 days after my return to the United States; and, that except in time of war, I will be entitled to an increase in basic pay of 25 percent from the date my enlistment expires to the date of my discharge.

12. FOR ALL MALE APPLICANTS: This form registers me under the Military Selective Service Act. The Department of Defense may transmit information from my personnel records, including name, social security number, birthdate, and address to the Selective Service System to meet registration and information reporting requirements.
